3

TITLE: Equipment repair order forms

DATES: 1977-

ARRANGEMENT: Numerical by equipment number

ANNUAL ACCUMULATION: 0.40 cubic feet.

DESCRIPTION:

These forms are copies of repair orders for all park's equipment, made either by the Parks Department or Fleet Management. They are used for creating a maintenance history of all equipment. These forms include date, equipment number, repairs needed, action taken, name of mechanic, parts used, labor hours, and total cost (when applicable).

RETENTION AND DISPOSITION AUTHORIZATION:

Retention and disposition for this series were specifically approved by the State Records Committee.

APPROVED: 11/1986

FORMAT MANAGEMENT:

The retention and disposition information on this schedule applies to the record copy which can be in any format. The record copy can include different formats. Format management information provided here is for the purpose of managing records that are being either stored by or transferred to Utah State Archives.

Paper: Retain in Office for 1 year after equipment is taken out of service and then destroy.
